Mr Warner Daiken

Dear Mr Daiken

Thank you for your email of 8 September 2008, regarding land use in the Wacol precinct.

The Department of Public Works has been charged with the role of investigating the feasibility of Mr Peter Beattie's statement. Until such time as this investigation is completed, the land is to be utilised as required by the respective agencies as I have previously advised in my

email
response of 4 September 2008.

Queensland Corrective Services has been a significant provider of land for use by the community in the Riverhills/Wacol area over an extended period of time. Previously, all Queensland Corrective Services' land north of Wolston Creek had been handed over to Brisbane City Council control for community use and most recently, I have agreed to the Centenary Junior Rugby League Football Club to re-establish their club house and fields on Queensland Corrective Services' land.

Queensland Corrective Services will actively participate in any consultation on the future use of the land as part of the continuing investigations being undertaken by the Department of Public Works.

I trust this information is of assistance.

Yours sincerely

Judy Spence MP
Minister for Police, Corrective Services and Sport
